Profile

Customer experience and administrative support professional with 3+ years of experience across call center operations, executive assistance, sales, data annotation and software development. Promoted to Subject Matter Expert (SME) at CCI Kenya, where I coached agents on the World of Books campaign, kept quality scores above 90% and consistently ranked in the top 10% for customer satisfaction. Trained executive assistant (Athena, 2026) skilled in calendar, inbox, travel and meeting management using Google Workspace, Microsoft Office and Notion. Technical foundation in Python, JavaScript, SQL and web development (Moringa School, Nairobits Trust), which strengthens my troubleshooting, data accuracy and process improvement. Known for calm escalation handling, strict confidentiality and clear communication with customers, teams and stakeholders in fast-paced environments.
